

We shall be opening 'PERKS' on 4/7/20 but no food for the time being.

There will be two traditional ales and other beers plus organic bottled cider and perry as well as a good selection of premium bottled ales and lots more?

We have had a revamp, a few renewals, different memorabilia, bits and pieces but still the same great staff waiting eagerly to serve, albeit no standing at the bar.

Back to normal soon we hope. The good thing is we are all here and able to read this, bless the ones that aren't, hopefully they are at " The Universe Arms" smilin' down.

The Volly will be undergoing a tidy up and re-opening as and when it becomes viable? even at one metre we would be limited to around twelve?! So watch this space,

Cheers, onwards and upwards nipper,

stay safe, be lucky and look on the bright side of life!!!

all the best,

Graham and Sue.
