Dear Tim,

Chequers Mini-Bus

Further to your letter of 3rd April I wrote to the Secretary of State for Transport, the Rt Hon Patrick McLoughlin MP. I have received a response to my letter from the Minister, Baroness Kramer and I am attaching this letter for your information.

Whilst this may be the situation at the moment I don't feel it is satisfactory and I plan therefore to take this matter up further. Initially I think it would be useful to establish how many licensed premises on the Island are affected in this way. I would be grateful for your help in this by advising me of any other similar cases of which you are aware.

I will make enquiries also and I will speak to colleagues to ascertain what affect this ruling has had on businesses in their constituency. It may be a subject for debate in the House.

I look forward to hearing from you in due course.

Yours sincerely
