

Hi Tim,

Just an update to say Ventnor Exchange will be open on Friday & Saturday nights throughout July. Booking is advised but not compulsory on 716767 or by email hello@ventnorexchange.co.uk.

Unfortunately, all live performances and events are currently on hold. We'll be expanding our opening hours again from the beginning of August when our renovations on the building are completed.

As ever, we have a huge craft beer list (At least 50 rotating at any one time) with new additions including:

- the Ayinger Celebrator Doppelbock,
- Schneider Weiss Aventinus,
- Tynt Meadow (The only British Trappist beer)
- and the famous Uerige Altbier.

While not a restaurant, we are also introducing beer snacks and cheese boards.

Many Thanks,
Jack
