

Hello

The time is almost here!! Saturday 4th July we are open from 12pm

>From tomorrow Tuesday 30th June, between hours of 10am - 8pm you will be able to telephone the pub on 882785 to make your bookings.

We are working extremely hard to ensure that our pub is COVID safe and we will post a video later on this week so you can see what precautions we have put in place for you safety..

Just a few notes for your information :

- * Our capacity has been reduced by 40% so allotted times for eating at tables is 1.5 hours. This also means that booking times are staggered so you may not get the exact time that you ask for but we will try our best.
- * We are unable to take bookings of more than 6 people from 2 households at one table.
- * Every customer who comes to the pub will need to provide their name and contact number which will be kept for 21 days in case it is needed by the governments track and trace.
- * It is essential that you book if you want to eat. If you want to drink only, then it is advisable to ring ahead to see if we have spare seats but we will not be taking bookings for drinks only.
- * If you pass the pub and suddenly get a craving for our food or a drink then pop in and we will do our best to accommodate you but please be aware that this may not always be possible.
- * We will be taking bookings for food in the garden area, however if the weather is bad we may not be able to accommodate you inside but we will try our best.
- * Please be aware that we have to adhere to strict government guidelines in order to open safely so we have put in place many precautions to allow you to keep yourself safe, however we do request that you are considerate of others and rudeness to our staff will not be tolerated.
- * At the moment the children's play area has to remain closed as it is in need of repair.
- * Unfortunately due to the restrictions Children will have to be accompanied by an adult at all times.

We understand that this is not the 'traditional pub style' but we want to keep you and our staff safe. Hopefully if we all adhere to this there will not be a second spike and restrictions can be lifted.

As this is a new way of working we ask that you bear with us until everything becomes routine.

We would like to thank everyone for the continued support. and hope to see you soon 😊
